

Project:	Arc of Onondaga
Project Owner:	Private
Project Location:	401 Lowell Ave.
Sewershed:	Harbor Brook
GI Technology:	Porous Pavement
Capture Area:	8,000 sq. ft.
Runoff Reduction:	299,400 gal/yr
Year Completed:	2012
GIF Award:	\$93,504

FACT SHEET Arc of Onondaga

Project Description: Arc of Onondaga, a chapter of NYSARC, Inc., is the largest provider of services for to people with developmental disabilities in Onondaga County. Arc offers these services at several different facilities located throughout the city.

Save the Rain partnered with Arc of Onondaga to redevelop a parking lot at their Monarch Vocational Center located at 401 Lowell Ave. The Center provides employment opportunities and training for people with developmental disabilities.

An 8,000 square foot porous asphalt parking lot was constructed and roof leaders from the building were diverted to the parking lot to capture runoff from the roof in the infiltration basin below the surface of the lot. This project will capture approximately 300,000 gallons of stormwater annually.
